Dear Sir,

The above-identified application received a Notice of Allowance on April 21, 2004. The Issue Fee was paid June 15, 2004. PAIR indicates ISSUE FEE PAID-Not Matched with File with a Status Date of June 15, 2004. To date no other communications have been received from the U.S. Patent and Trademark Office.

Please inform us of the status of the above-identified application, including when the allowed patent application is expected to issue and the change in Patent Term Extension. The patent term extension at the time of the Notice of Allowance was 319 days based on the issue fee being paid on the date that is three months after the mailing date of the Notice and if the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice. Note that the issue fee was paid less than two months after the mailing date of the Notice of Allowance and it is beyond November 2004 which would have been the 6 1/2 months after the mailing date of the Notice.

Respectfully Submitted
